TOUGALOO SOUTHERN CHRISTIAN COLLEGE
TOUGALOO, MISSISSIPPI

OFFICE OF
THE PRESIDENT

June 27, 1963

Dr. James Silver
Department of History
Emory University
Atlanta 22, Georgia

Dear Dr. Silver:

Thank you for your recent note enclosing letter from Mrs. Clarice Campbell. I shall write to Mrs. Campbell and find out what she can do.

There is no question about the sickness of Mississippi. The difficulty is to find the adequate diagnosis and remedy.

I have had a couple of telephone calls from the AAUP representative from Washington, who was present when your group from Ole Miss visited Tougaloo. He is planning to set up a bi-racial AAUP meeting at Tougaloo on Saturday, July 20. If you should be in this part of the country at that time, I hope you will attend.

We continue to do a lot of foolish things in Mississippi and Alabama. I hope you are finding things somewhat better in Georgia.

Ruth joins me in sending you warm regards and good wishes.

Cordially yours,

A. D. Beittel, President
